WHO SHOULD ATTEND

- RTO Managers/Coordinators
- Trainers/Assessors

WHAT WILL BE COVERED

Innovation & Business Skills Australia has developed a new suite of leadership and management qualifications to meet the growing demands of Australian industry.

The application of leadership and management roles has evolved considerably in recent years—as have the leadership and management demands of Australian workplaces. There is growing recognition across Australian industry and organisations of the need to enhance the quality of our business leaders and managers.

This workshop is designed for Registered Training Organisation (RTO) representatives such as managers, trainers, assessors and other VET practitioners who will be working with:

- The new skill set for emerging Leaders
- The four new BSB Business Services Training Package Leadership and Management qualifications.
