

SUPPORTIVE STRATEGIES FOR LEARNER ENGAGEMENT

www.velgtraining.com/events/1089

WEBINAR INFORMATION

PRESENTED BY: JOHN BLAKE

In this **brand new webinar** you will be presented with dozens of teaching strategies, tips and tools for developing learners' interest in their chosen subject using a variety of proven methods and validated approaches, to encourage engagement and critical thinking in developing an optimal learning environment.

Learn how to create fun, inclusive and easy-to-make activities getting your two-dimensional theory resources (i.e. workbook, practice tests, PowerPoints) three-dimensional, interactive, kinaesthetic and, most importantly, remembered!

By the end of this session, you will have had the opportunity to create some resources and make decisions for activity based learning using a range of: Teaching strategies, Resources and Websites.

KEY TOPICS

- Developing learner interest
