COURSE INFORMATION

FACILITATED BY: MELANIE ALEXANDRA

"I attended this course last year and it was fantastic! The training material/resources are very comprehensive, complimented by excellent staff members and trainers"

– C Dennis, AEATS

The VET Landscape program has been developed to present a holistic view of the Australian VET Sector and how it has evolved into what it is today.

It focusses on understanding the VET Sector, the key players, frameworks, legislation and operations as well as how stakeholders and frameworks impact the primary roles, responsibilities and functions of Registered Training Organisations.

The flexibility offered by Velg2Go enables you the personalised option of choosing your own pace... You can cover the learning material over the entire course period or tackle all the content at once – *ultimately, how you Velg2Go is your choice.*
