

V2G01 - VET QUALITY FRAMEWORK AND STANDARDS

www.velgtraining.com/events/1704

COURSE INFORMATION

This module of learning covers the components of the **VET Quality Framework** with specific emphasis on the current Standards for Registered Training Organisations (RTOs). It is a great introduction into the set of standards and conditions that RTOs must meet as a requirement for registration.

Training organisations registered to deliver nationally recognised training must abide by the legislation incorporated within this framework and adhere to the requirements of the Standards at all times. This module of learning will provide information and explanations around what the Framework consists of, the key components of the Standards, and other Regulatory Frameworks that might apply to your RTO.

TOPICS COVERED

- The Standards for RTOs 2015
- Fit and Proper Person Requirements
- Australian Qualifications Framework
- Data Provision Requirements
- Financial Viability Risk Assessment Requirements
- Other related legislation

The flexibility offered by Velg2Go enables you the personalised option of choosing your own pace... You can revisit the learning material over the entire course period or tackle all the content at once – ultimately, how you Velg2Go is your choice.
