V2G09 - ASSESSMENT: DESIGNING FOR COMPETENCE

www.velgtraining.com/events/1713

COURSE INFORMATION

Our *Assessment: Designing for Competence* module expands upon the fundamentals of assessment by exploring qualitative practices that drive a student's journey towards competence.

Gain a wider understanding of competence through exploration of the application of dimensional skills and knowledge and the importance of these in the workplace.

Taking assessment approaches to the next level, the course effectively 'drills down' into the essential components (scheduling and resourcing, planning and mapping) that are designed to both kick-start development and confirm the quality of your assessment.

TOPICS COVERED

- Understanding Competent Performance
- Dimensions of Competency and applying these to Assessment
- Assessment Planning and developing Assessment Plans
- Adopting a model approach to Mapping

The flexibility offered by Velg2Go enables you the personalised option of choosing your own pace... You can revisit the learning material over the entire course period or tackle all the content at once – ultimately, how you Velg2Go is your choice.
