

11 Ways to Manage Difficult Behaviours

WEBINAR 2017

Webinar information

Every teacher/trainer encounters difficult behaviours and situations in their career. The behaviour of a few can have an enormous impact on the whole and as a result can critically injure the success of your programs.

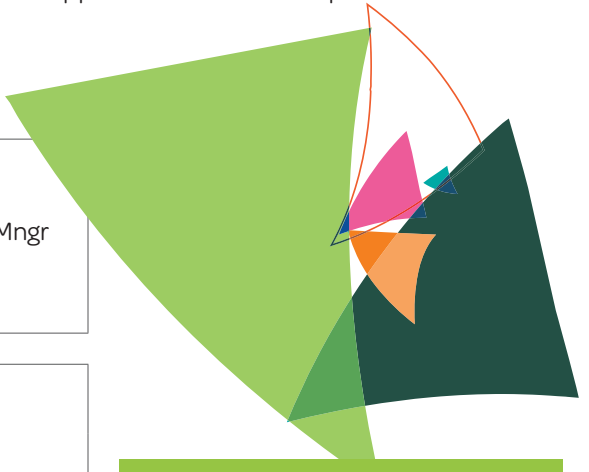

But wouldn't it be great to have some sort of trainer's first aid kit of items to get your sessions out of intensive care!

This webinar will discuss 11 proven strategies aimed at minimising difficult behaviours and will model winning techniques that will help any trainer to create a positive and exciting program for their learners.
